

INTERNATIONAL SCHOOL OF
SCHAFFHAUSEN

Biology Teacher (100%)

Joining the ISSH Team in August 2026

At the International School of Schaffhausen, our greatest strength lies in our people. As a modern community of over 100 professionals serving 300 students from 30 different countries, we celebrate a culture of togetherness in which diverse perspectives enrich our collective growth. If you are an educator who shares our values and would like to play a meaningful role in the life of an international school, we look forward to welcoming your expertise.

The expertise you bring:

- Qualified teacher, at least 5 years of teaching experience in an international school setting.
- Demonstrated experience in EAL (English as an Additional Language) teaching strategies within the science classroom.
- Strong knowledge of the IB DP, including familiarity with the Exhibition, grade 10 Project, and Extended Essay.
- Teaching experience in the Middle School and across the secondary age range (grades 6-12).

What we offer:

- Proficiency in teaching and supporting the IB ATL skills.
- Excellent organisational, collaborative, and communication skills.
- Commitment to creating an inclusive and supportive educational environment.

Application Process:

The closing date for applications is **Tuesday, 31st March 2026**.

Interested candidates are encouraged to submit a cover letter, resume, and references to the Secondary Principal, Ms Cornelissen, v.cornelissen@issh.ch

Please note that only shortlisted candidates will be contacted. If you have not heard from us within four weeks, please assume we will not be pursuing your application at this time.

This is a unique opportunity to be more than a subject teacher; you will be a mentor, inspiring students to reach their full potential through scientific enquiry and critical thinking. We look forward to welcoming a dynamic educator to our team!
