

WELCOME TO ISSH PA

The Parents' Association

The Parents' Association, we believe, includes all of our parents from the ISSH Community. The family events that the Committee organises are to provide opportunities for our families to meet each other and make connections

The PA Committee

The P.A. Committee is a support network for both the school and our families.

Our role is to act as a liaison between all parties in order to make our school successful.

We meet once a month to discuss and plan the upcoming events for the PA and how we can support the school events. We then forward information to you, the parents through the school platforms and the Class Reps Whatsapp group.

Would you like to join us?

There are several ways that you can join us:

Class representative

ISSH PA WHAT WE DO

PA Coffee Afternoons

Each month, we have a coffee afternoon for all parents just before pick up time in the Family Hub. Meet us there at 14:30 for a coffee and a chat. The next one will be

SCHOOL EVENTS

During the year, there are several school events that ask for our support. Many of these take place every year and so we aim to plan how we can help:

- providing snacks and drinks for openings, exhibitions and events
- asking for volunteers to help at the event itself

PA EVENTS

Each year we have five main events that are organised by the PA, with support from the school:

- October - Halloween
- December - Samichlaus
- February - International Day
- March - Teacher Appreciation Day
- June - Goodbye picnic

If you would like to join the PA Committee or offer to become an organiser for one of the events, please contact us via your class rep or email.

International Day

Friday 23rd February 2024

This is one of the PA's annual events and is an enjoyable day for the whole school.

It is a day to celebrate as a truly international community; to share a little part of each others' culture.

It would be great to get as many people involved as possible so that we can represent as many nationalities as we can!

International Day

FRIDAY 23RD FEBRUARY

We need some help for one of our events!

Workshops

Can you provide a 20/30 minute activity for Early Years, Primary or Secondary that celebrates a country's culture in some way? Some examples are: teaching a traditional dance, craft, food dish or share a story from your culture.

Shared lunch

Can you provide a dish for our whole school shared lunch? We ask that this is an individual 'finger food' style item so that it is easily shared, but can be a main, side or dessert. Please ensure that you include a list of ingredients.

Shared lunch table

Can you join us for the shared lunch and help to organise a country's table. For this, we would ask you to join us with your dish, help to decorate the hall and then share your culture with the students when they visit the shared lunch. It really brings the day to life when there is someone who can explain the dishes and something about the country and its' culture.
